

LIFE OASIS Project

LIFE23-NAT-ES-LIFE OASIS - 101148343

We are hiring - **Communications content creator**

Contractor: *Asociación Cultural Alnitak*

Published: 10th of August 2024

Deadline: 31st of August 2024

Project Region: European Union

Alnitak is a cultural and environmental non-governmental organization founded in 1989 with the aim of developing research and education programs for the conservation of our cultural and environmental maritime heritage.

From September 2024 to 2029 Alnitak will be coordinating Project LIFE OASIS which focuses on the conservation of marine turtles and the development of a sustainable management scheme for anchored Fish Aggregating Device fisheries. The project is developed in waters of the archipelagos of Malta & Gozo, Sicily and the Balearics, using these sites as a laboratory for developing replicable solutions worldwide.

For the development of LIFE OASIS, Alnitak and the project partners (Nature Trust Malta, Filicudi Wildlife Conservation, Universities of Naples, Pisa, Valencia, CSIC IMEDEA, CSIC ICM, CEPESCA and Satlink) count on the collaboration of relevant authorities, fishers, navigators and other stakeholders as well as on an international multidisciplinary Board of Advisors.

To support the Alnitak team in this work, we are looking for a motivated professional with a special passion skill for communication.

RESPONSABILITIES OF COMMUNICATIONS CONTENT CREATOR:

Alnitak is looking for a LIFE OASIS COMMUNICATION CONTENT CREATOR for the design, and production of the necessary communications materials required for the execution of the LIFE OASIS Communications Plan, in accordance with EC LIFE administrative dispositions. [Communicating about your EU-funded project - European Commission \(europa.eu\)](https://ec.europa.eu/eip/comm/communication-plan_en) This Communication Plan will have the aim of increasing public awareness and maintaining information flow between project stakeholders.

1 LIFE23-NAT-ES-LIFE OASIS - 101148343

The LIFE OASIS Communications Content Creator will work with the Alnitak Communications officer and in collaboration with the Alnitak team and in coordination with communication officers of other project partners and key stakeholders. We are looking for a person with; a) expertise in the development of website and social media content as well as the editing of short high impact video, b) excellent speaking, writing, and editing skills in English (Spanish and Italian language skills are advantageous), c) very strong communication skills, capable of bringing a diverse and remotely located team together, d) good knowledge of European Union environment policy, digitalization policy and EU governance structures, and e) ability to work effectively and independently, as part of a team, and in partnership with other organizations.

The basic products to be developed by the Communications content creator are listed below, but additional products will be valued:

- LIFE OASIS Newsletter (4 per year) and social media content (52 post per year).
- LIFE OASIS infographics for protocols and presentations (10 to 20).
